

## **Scin Operations Pty Ltd**

Scinmed is a front-runner in the cosmetic medicine in South Africa which utilizes specialists and world-class facilities **to** give clients a luxurious yet satisfying experience and world-class services. Scinmed uses specialists such as Dr Kamlen Pillay who is a specialist in Plastic, Reconstructive & Hand surgery and he is based in Cape Town and Europe. Scin Operations Pty Ltd. Support two South African Non-Profit organizations, The Smile Foundation and Avela Foundation. Scin believes in giving confidence to children and youth that would most likely be ostracized in society due to their physical appearance.

The Smile Foundation assists children with any type of treatable facial abnormalities such as Cleft Lip and Palate, burns, Moebius syndrome (facial paralysis) and other conditions by providing corrective Plastic and Reconstructive surgery. The Avela Foundation has a key focus on children with burn injuries and supports their road to physical and psychological recovery. We recognize that both organizations aim to create the greatest impact through their holistic approach to changing the lives of their beneficiaries and we are honoured to support their mission of sustainable change. Since its inception, SCINMed has been acknowledged as one of South Africa's leading medical aesthetic clinics and has been awarded several local and international accolades.
